

MGA/MBA Requirements Checklist 2016-2017 *

This checklist is to be used by students in the MGA/MBA program to track the requirements of both programs. The requirements of both programs must be met in order for students to graduate with the combined degree.

Students are responsible for ensuring they have enough credits to graduate. This form should be submitted to the MGA Program Office in Year Three before students prepare to graduate.

Student Name: _____ **Student Number:** _____

Date: _____
